Joe-

Thanks for the heads up. Dave and I respectfully request a continuance to 6/24/19 with no testimony on 6/10. That sadin, we will not be in attendance on the 10th. Please advise if this email is adequate to serve as the formal written request to continue or if the standard town form is required. If required, please send the form to us and I will complete and issue.

Thanks again,
